

THEMAR PORTFOLIO

A presence worthy of your ambition.

We connect ideas, content, design and advertising to bring your brand's personality into focus.

Selected work across different sectors

SOCIAL MEDIA / PAID ADVERTISING / DESIGN

2026 / PORTFOLIO

Your brand. Understood.

THEMAR brings social media management, paid advertising and graphic design into one direction. We help your brand express itself through clear content and consistent visuals tailored to its audience.

HOW WE WORK

Listen & understand

We learn about your business, audience and objective.

Plan & create

We align content, design and advertising with your brand.

Launch & review

We execute the plan and review the response to shape the next step.

Three services. One direction.

Social media management

Content planning, copy, designs and scheduled publishing, with performance review.

Paid advertising

Campaign setup, targeting, ad copy, monitoring and optimization.

Graphic design

Social media designs and campaign creatives with a consistent visual direction.

Some of our clients

Brands across a range of sectors. We are pleased to be part of their presence.
